## Children Who Struggle at School

### Dates & Location

Friday 9 March 2012  
COVENTRY

### Speaker

Adoption UK Trainer

### One-day workshop for parents only

This workshop is designed to help traumatised children with school and learning by looking at the effects of a child's early life experiences including separation, loss and trauma which can often lead to learning difficulties and make school a challenging environment.

Members £198.00  
Non members £247.00

## **Pre-Natal Alcohol and the Adopted Child**

### **Dates & Location**

Friday 23 March 2012  
DUNDEE

### **Speakers**

Dr Raja Mukherjee -  
Consultant Psychiatrist and  
Julia Brown from FASD  
Trust

### **One-day seminar for parents, carers and practitioners**

This seminar examines the diagnosis and assessment of children affected by foetal alcohol spectrum disorder. Dr Mukherjee, the UK's leading clinician, offers a real understanding of the effects of pre-natal alcohol and with Julia Brown looks at the implications for parents and carers.
