

St Francis' Children's Society

Established Adoption Team

Seeks Experienced Social Worker

Full or part time

Preferably to cover Bucks and North Herts

Are you interested in joining a diverse, committed team in an organisation recently rated **OUTSTANDING** by Ofsted?

We are expanding our adoption services, with an active and creative recruitment strategy which seeks to attract a wide range of prospective adopters.

Our assessment and preparation processes seek to challenge applicants to consider whether they could meet the needs of some of those children for whom it is most difficult to find families.

We offer comprehensive adoption support services to children and young people, adopters, and to birth families, both in-house and through partnerships with Local Authorities.

More widely the organisation is now developing counselling and social work services in schools.

We are just completing a rebranding process, which builds on our heritage whilst positioning us strongly for the future.

We offer excellent working conditions in purpose built offices, quality supervision and access to training, and also access to a **Local Government Pension Scheme**

Strongly committed to equality of opportunity in employment and services.
