FAMILY FINDING/POST ADOPTION SUPPORT SOCIAL WORKERS
DEVON, CORNWALL AND DORSET
Salary up to NJC SCP 36 currently £30011p.a

Are you highly Motivated? Do you want a Flexible Working Life? Do you seek a Rewarding Career in Social work? – then we want YOU!

Families for Children Adoption Agency has several exciting new opportunities for qualified full-time social workers across its three counties, either to find families who will provide a safe and loving home for children from Local Authority care, or to support those families post adoption.

We are looking for creative, committed and energetic candidates to join our already highly experienced and motivated team of social workers.

The family finding posts will concentrate on the assessment and preparation of adoptive parents, matching them with children, and providing high quality support after placement. The post adoption post requires patience and skill to help our families to maintain long term secure placements.

For both posts, you will need to demonstrate good communication skills, be diplomatic, empathetic and show sensitivity in all aspects of the role. Post qualifying experience is essential.

In return you will be working for an established Voluntary Adoption Agency with high standards and a competitive edge. You will have an opportunity to work in a specialised area of social work and the rewards will include a flexible work life, high quality support and supervision and a commitment to making a positive difference to children's lives.

Applicants will be subject to an Enhanced CRB check and must be a car driver/owner.

For an informal discussion please contact Graham Pellew or Dean Banks on 01364 645480. Full information, including an application form, can be found on our website www.familiesforchildren.org.uk
