Assessment and Linking Team Manager (Full time)

£43,000 - £47,000 per annum - Barnet, North London

Are you interested in working within a unique and developing adoption agency?

Intercountry Adoption Centre is a registered adoption agency which works solely in the field of intercountry adoption. Due to expansion we are seeking to appoint a full time Assessment and Linking Team Manager to oversee our assessment service and to develop, alongside the current team, an innovative linking service with States of origin from which children are placed.

You must be an experienced adoption social work professional who is enthusiastic and self motivated, committed to facilitating a professional intercountry adoption service that places safeguarding children at its heart and be willing and able to work within a small and dedicated team.

Job share considered.

For further information, please visit www.icacentre.org.uk or telephone Gill Haworth, Director, for an informal chat on 0208 449 2562. To request an application pack, please email info@icacentre.org.uk
