

Positively Shaping Children's Futures

Family Care is an innovative professional agency offering a full range of adoption services, emotional support to children and young people, safeguarding consultancy and training. Due to the development of our adoption services, we are now looking to recruit to this new post.

Adoption Social Worker

Full time

Salary in the range of £25,472 to £30,851p.a. depending on experience

Have you been a qualified social worker for two or more years, preferably with proven experience of working in adoption and family placement? Can you demonstrate effective team working and a strong commitment to promoting the interests of children and their families?

We are offering this exciting opportunity to undertake the full range of adoption tasks within Family Care – recruiting, preparing and assessing adopters, making inter-agency placements, supporting adoptive families, providing adoption support services. You will be joining a skilled and friendly team. You must be willing to work flexibly and to travel nationally. You will make a long term difference to children and families in Nottingham, Nottinghamshire and surrounding areas.

We will offer you regular supervision, excellent administrative support, and encouragement in your personal development. A pension scheme is available linked to Nottinghamshire County Council.

Family Care is committed to the promotion of Equal Opportunities in its recruitment, employment and service delivery practices. The successful applicant will be registered with the GSCC and required to undertake an enhanced CRB check.
